**TO RAISE A BUMPER CROP EVEN IN EXTREME DROUGHT,  
YOU'LL NEED THE RIGHT GENETICS!  
- TRY THESE DROUGHT RESISTANT SIRES THIS FALL -**

Sire of Champion Maine at San Antonio and Champion  
Simmental in Houston in 2012

Registered 50% Maine

## Yellow Jacket

Yellow Jacket has proven himself to be the THF and PHAF "power bull" to go to. Not only does he produce award winning steers and highly promotable AI sires, but also his daughters are making him more famous yet! One daughter commanded \$39,000 for one half interest in a past Cream of the Crop and in 2012 her eight progeny sold for a record \$160,000. Females like that will keep you in the business! Use Yellow Jacket on medium sized, shorter bodied cows of any breed for great results. Works great on Heat Wave or similar bred females.

**SIRE:** Lifeline | **DAM:** Hoo Doo Phylli

## Red Rooster

Out of just a handful of calves from his first calf crop, Red Rooster made a big first impression. One calf at Tony Myers sold for \$15,000 and the only bull calf at Black's sold for \$27,000. Red Rooster was used heavily in 2012 at Black Hereford Ranch. Full sibs to Red Rooster have sold for over \$100,000 in combined sales. His productive dam is currently in the IVF program. Use Red Rooster on TH and PHA carrier cows. He's clean, consistent and powerful. A GREAT FULL BROTHER SELLS OCTOBER 27th in the Fall Cream of the Crop Bull Sale. Owned with Tony Myers & Korky Wise

**SIRE:** Lifeline  
**DAM:** Tank's Dam [Char-Hereford-Angus]

## Freaknique

This bull was the high seller in the 2012 Cream of the Crop June sale, to Sid Robinson. We have bred over 50 females to him already and we are anxiously awaiting his first progeny. Freaknique is one of the most complete club calf producing sires to ever walk our pastures. Kris stated, "He's built as good as they get." Freaknique is TH and PHF and has a great outcross pedigree. Owned with Sid Robinson

**SIRE:** Heat of the Moment x Covino III  
**DAM:** Power Alert x WG-Casper

**We have semen on many more outstanding sires in our vast bull battery. Give us a call on how to best incorporate them in you fall breeding program.**

### SEMEN AVAILABILITY

Semen Available Through Most Major Companies or the Owners

# Featuring these Sale Lots...

## Left #5019

A leading feature lot IVF produced Mr. Driven x Phylli. Maternal sib to Yellow Jacket Power in the blood! One of the best to date!

## Right #448

Uno Mas x Power Plant/Nuf Said, ET produced from a powerful donor dam, with over \$50K in progeny sales.

## Left #6077

Troubadour x Heat Wave-602 Full brother to Choppin' Wood, his dam is a full sister to Smooth Sailing. Leading feature lot, with a tremendous future.

## Right #495

No Apologies x Hoo Doo Lots of power, big hip and top. Will sire major caliber slick shear prospects!

## Left #474

A son of Polar Ice out of the lot 1 female in the 2006 sale, that sold to Billy Hyatt. This embryo produced bull is as stout as you can find.

## Right #378

Troubadour x 2XEXT-Hobanero One of Kris' favorites. ET produced and full sib to Champion Chi heifer 2010 Kansas State Fair

## Left #342

A son of Yellow Jacket from a Hairy Bear x Anchor dam. Lots of bone, soundness and super correct. Will sire steers or top replacements.

## Right #332

A big lime Hereford prospect! Sired by Made Right and out of the leading Double Vision x Warpath-7515 donor dam at Lowes. Lots of pedigree.

## Left #494

Monopoly x Playmate Super Cool-Dam is extra good and stout donor from the Fullwood program.

## Right #493:

Tag 493 is a purebred son of Blanco, out of a stout Hoo Doo cow. This bull is good looking and correct. Extra stout and very sound. Purebreds like this are hard to find.
